Flooring Application

Maintenance

All TopzStone Quartz surfaces provide peace of mind. They will withstand the test of time in your home; so much so that they are backed by a 25-year product warranty. TopzStone Quartz never needs sealing, waxing or other maintenance. Mild soap and water keep your TopzStone Quartz looking its very best. Worktops with a Matte finish may require a little more care as marks are more visible.

Notes

TopzStone is a natural quartz-based surface made with the purest quartz and state-of-the-art technology that ensures perfect cutting and durability. Ideal for kitchen and bathroom countertops, it can also be used for floors and walls adding a contemporary and beautiful look to any environment.

TopzStone may contain variations in color due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and colored particles. It is recommended to view the whole slab prior to fabrication. Veining may change between slabs.
